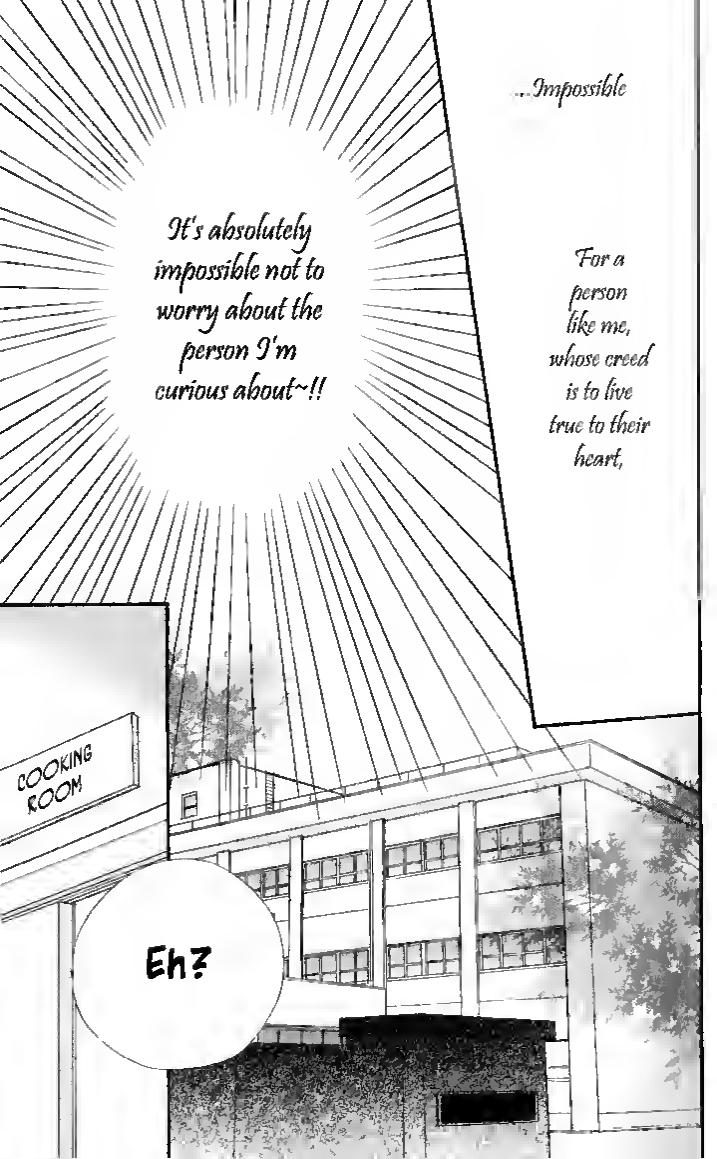
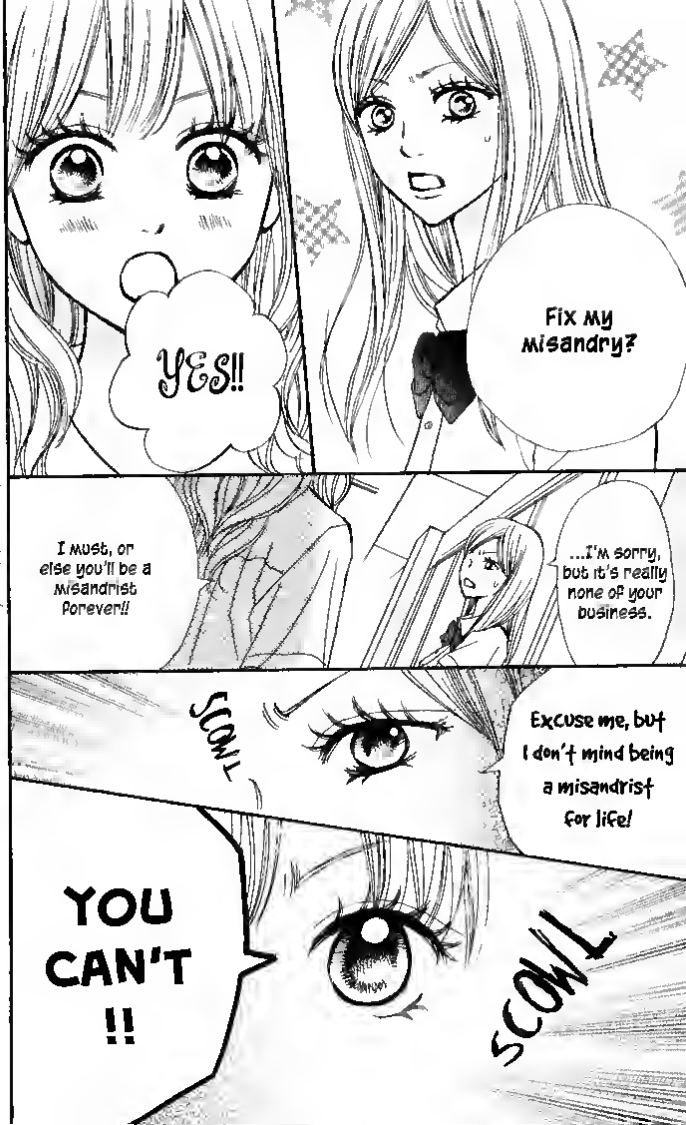
③

As you can guess,
I despise men
He's a perverted
geezer that hardly
ever comes home,
and has an affair with
one of his employees.
I would never do
anything like steal
other people's
possessions, even if my
life depended on it

So don't worry.
blink
ANA
KEN



...Impossible
It's absolutely impossible not to worry about the person I'm curious about~!!
For a person like me, whose creed is to live true to their heart,
COOKING ROOM
Eh?



Fix my misandry?
YES!!
...I'm sorry, but it's really none of your business.
I must, or else you'll be a misandrist forever!!
Excuse me, but I don't mind being a misandrist for life!
SCOWL
YOU CAN'T !!
SCOWL

*Misandry: hatred of males

It's not like you like women, right?
And if it weren't for your father, you wouldn't have become a misandrist, right?
Then we should fix it,
because don't you think life would be much more fun if you liked men?

I want you, Naka-chan sempai, to find someone who'll treasure you.
.....
but forget about that!!
I don't know you or your father very well...
She's a really nice girl.
Thanks for praising Nanoka
...I guess ...
...it would be wonderful to be thought of as precious like that,
but for me there's ...
Ah!?
No, I didn't ...

So you aren't completely disgusted by men!
I'm so glad---!!
I will definitely find Naka-chan sempai a wonderful love ♥
Leave it to me!!

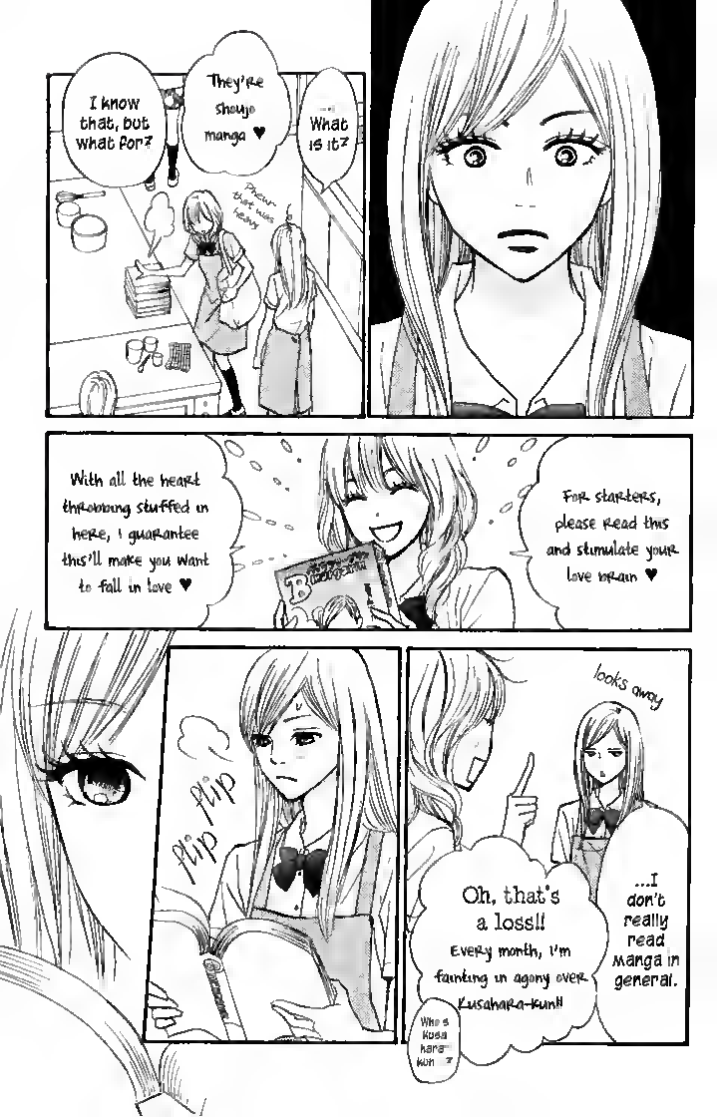
.....
Because,
it's not like I studied popularity tactics for nothing
What I, who has captured happiness with Haru, ought to do now
is find happiness for others by distributing my love techniques!!
!?
Hey...
Not to worry, leave everything to me!!

Fix Naka-chan's misandry...?
I wonder if that's possible.
Something you hate is simply something you hate, isn't it?
But it's not like she was genetically born with a hatred for men~
I see.
But then I guess you'd have to seek out the reason behind her misandry.
Mmm--that's true.
Granted, the dad issue can't be helped with my skills, so I can't do anything about that.
However
Dad?
Remember? That chef from the restaurant--!!

SHUU
The amazing pudding!!
OHH!!
mumble mumble
Oops! Was I supposed to say that!?
The highly admired one currently having an affair...
04
HM?
...
Please stay the way you are, Haru♥
?
Don't avoid them and talk to them heaps, then she'll surely realise that there are many great men out there.
Yeah.
I think Naka-chan should know more about the goodness in her.
Also,

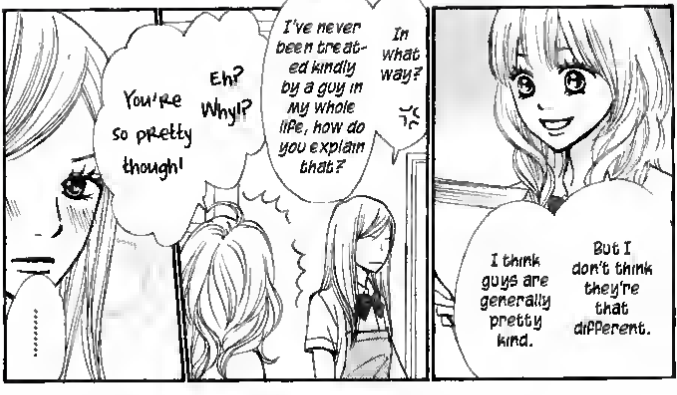
Popularity?
And for this, I think my popularity...
COUGH
SUPPORT will be needed!
Mm.
Do you think I'm meddling too much?
You're meddling for the person's sake.
No,
I think it's fine.

You can do it, Nanoka!
Yup!!
I'm on fire now!!
Just you wait- I will definitely save her with my power ♥
BAM
rgarin



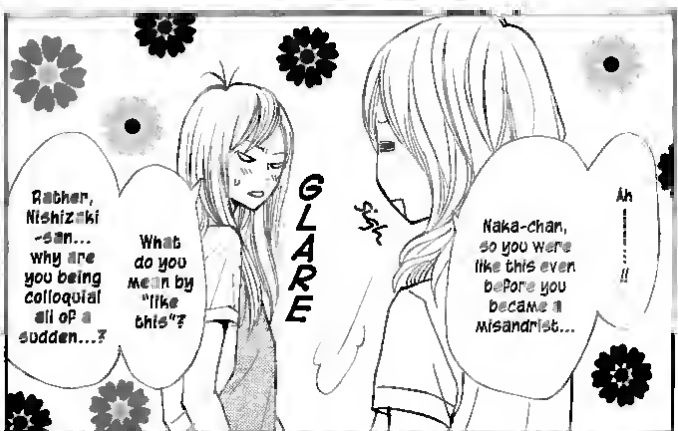
I know that, but what for?
They're shoujo manga ♥
...What is it?
Please don't make noise
For starters, please read this and stimulate your love brain ♥
With all the heart throbbing stuffed in here, I guarantee this'll make you want to fall in love ♥
flip flip flip
looks away
...I don't really read manga in general.
Oh, that's a loss!!
Every month, I'm fainting in agony over Kusahara-kun!!
Who's Kusa-hara-kun?

He's so cool~! He's invigorative, kind to everyone, and a bit of a shy boy~♥
Ah, this is Kusahara-kun!!
MY HEAD-BAND
HERE, USE IT
.....
He thinks about Rina so wholeheartedly and---
Oh, by the way Rina is the protagonist
glance
As if there's actually a guy like this in reality.
.....
Mm
Well, that's because it's fantasy.



I think guys are generally pretty kind.
But I don't think they're that different.
In what way?
I've never been treated kindly by a guy in my whole life, how do you explain that?
Eh? Why!?
You're so pretty though!
.....

There are people who come and talk to me out of nowhere.
But for some reason, they always walk away and start slandering me when they're hurt...

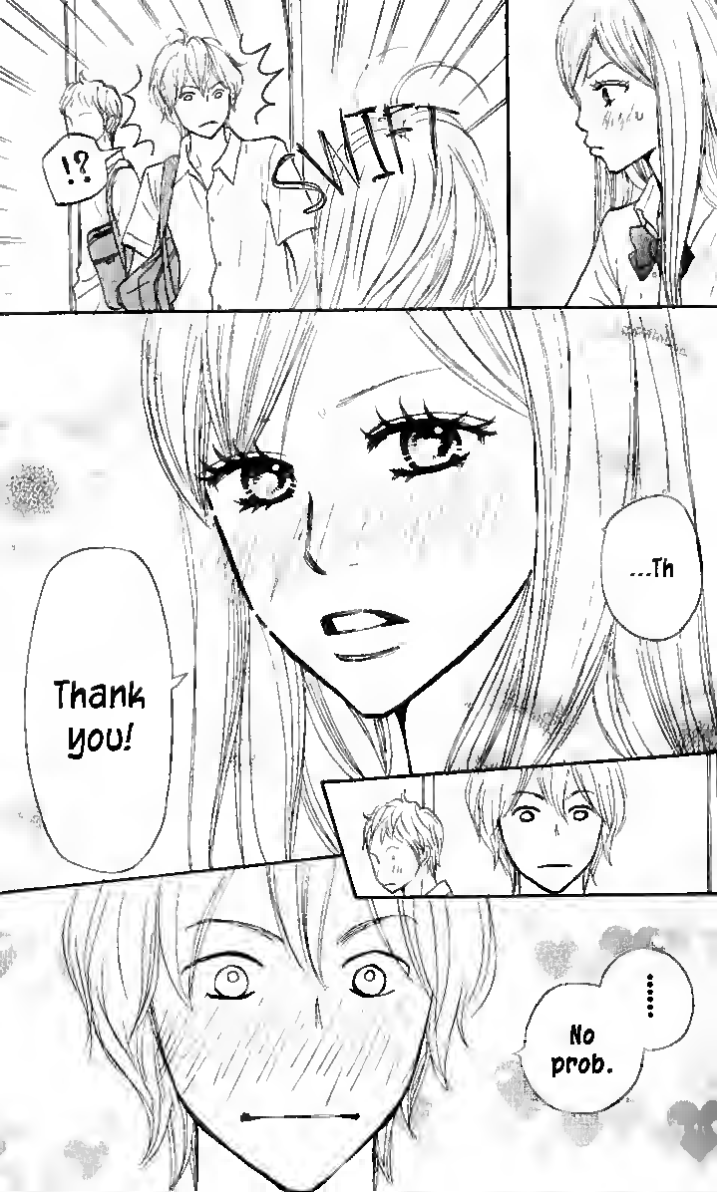


Ah.....!!
Naka-chan, so you were like this even before you became a misandrist...
GLARE
What do you mean by "like this"?
Rather, Nishizaki-san... why are you being colloquial all of a sudden...?

If the person who you talk to acts unfriendly and doesn't even make eye contact, wouldn't you feel rather depressed?
You know, Boys are the same as girls after all!! Imagine being in their position!!
...could it be you don't despise boys, but it's more like, you're weak against them?
You'd think "Maybe she dislikes me?" and be scared to go near her, wouldn't you?
You'd feel like slandering her once or twice, wouldn't you?
It's human nature!!

You don't intend to be?
But I don't intend to be...
I used to always be told not to be so Morose.
I- I can't help it.
.....
STAB
You're more than Morose enough for sure.
towards guys
.....
Don't worry!! It'll be easy!!
but once you've realised it, you can fix it!!
Sorry,

Hey.
irritated
irritated
What's with her...?
She's supposed to be younger...
.....
This, you dropped it
It's yours isn't it?
!
Be nice and clear, especially when you thank and greet them.
There's no need to fake a smile.
Look at their eyes when you talk to boys
thanks



!?
SWIFT
...Th
Thank you!
.....
No prob.

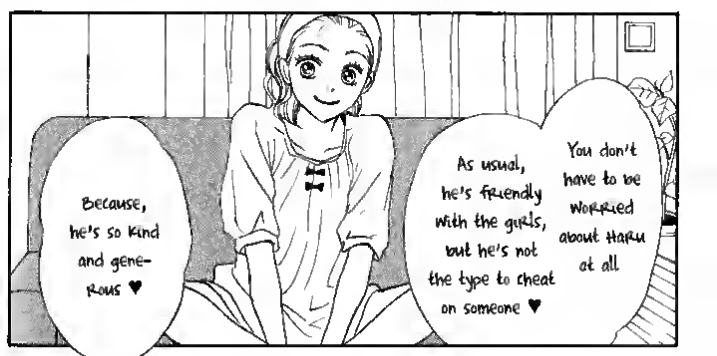
I did as I was told to by Nishizaki-san, and now they've all been surrounding me since this morning.
.....
That's something Naka-chan.
...I
I just can't get myself to like boys that much.
It's not even fun speaking to them...

Well done, you tried hard.
Does it really matter?
How's your cute girlfriend-?
Good, good.
Morning-
Ah, morning Haru-chan-

Carelessly enough,
I had not yet realised
Nishi zaki-sa--n
Can I talk to you? I need some advice-!!
that there was

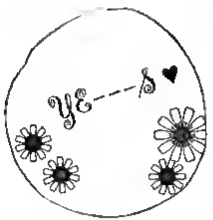
a dangerous breeze blowing in.
Phew-
Steamy
Steamy
It'll get all soft and floppy
Ah, just as I thought!!
Don't take my magazine and read it in the bath-!!
Actually, Mum aren't you 40 already?
Because it's good to study the hints on how I should live now for when I'm 30.

Mom, your statement and questions are contradicting each other.
Anyway, how's your boyfriend? Does he have future prospects? Is he good at handling money?
Kids like you don't have to be so calculative!

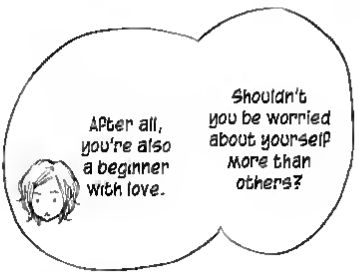


Because, he's so kind and generous ♥
As usual, he's friendly with the girls, but he's not the type to cheat on someone ♥
You don't have to be worried about Haru at all

Oh! Anyway, a lot of girls asked me for love advice, lately!!
Is that so?
Somehow, it makes me happy~~
'Cause I used to be rather hated by girls.
I want to help more and more people with my skills.



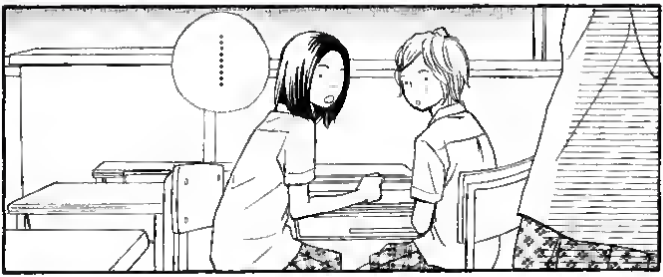
Yes♥



After all, you're also a beginner with love.
Shouldn't you be worried about yourself more than others?

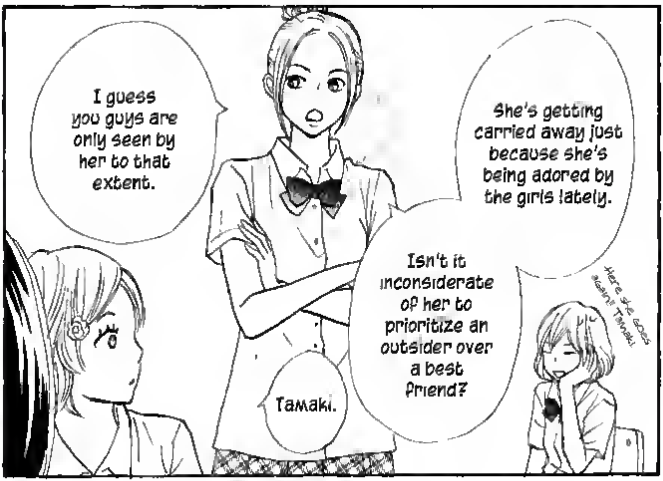
Morning-
Morning— Shizu, Misa-kichi
What's wrong Shizu? Not feeling well?
GLOOMY
GLOO
It's over...
OM...
I think Yamaguchi-kun hates me now...
Did something happen?
Listen, Nanoka...
Today, I...

After I sent a text message to Yamaguchi-kun
Nishizaki-sa——n
Oh, did I intrude?
Sorry, I just really had to discuss something with you.
Umm, it's about the guy I talked about last time.
Ahh! I was curious about that, how did it go? Did it go well?
Well, it seems like he misunderstood me I don't know what to do~
Enh,
Why, why!?
There, there
I'm gonna get dumped, what should I do?
Here is a bit...
Ah yes, you're right.
Sorry Shizu, I'll listen to the whole story later!!
Eh……



.....

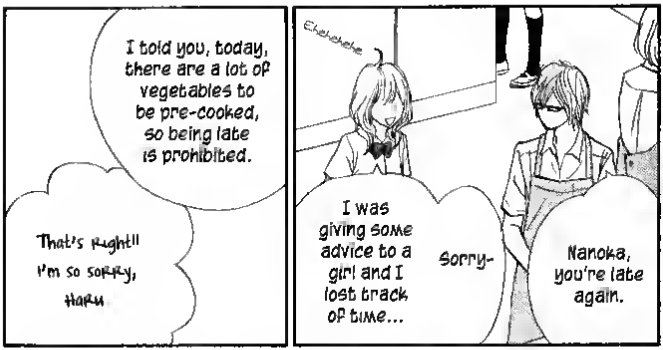
She's that sort of woman, you see!
Will you look at that?



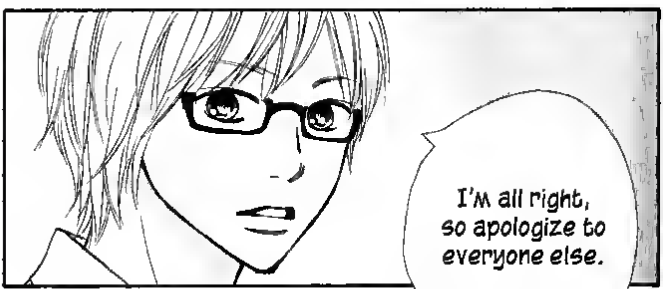
I guess you guys are only seen by her to that extent.
Tamaki.
She's getting carried away just because she's being adored by the girls lately.
Isn't it inconsiderate of her to prioritize an outsider over a best friend?
There she goes again! Tamaki

Tamaki
self-satisfaction
Sooner or later you, as well, may get betrayed by her and have your boyfriend stolen.
Nanoka didn't steal your "boy-friend".
that was totally your one-sided love.
What are you doing!? Damn Tamaki!
Yeah...
She's pretty funny.
You can't get yourself to hate Tamaki...
.....
Ow!
SMASH
EEK...
...SHUT UP!

But it's true though.
Nanoka is over frolicking.
COOKING ROOM
creak creak
Ehehe
Excuse me
I'm late!!

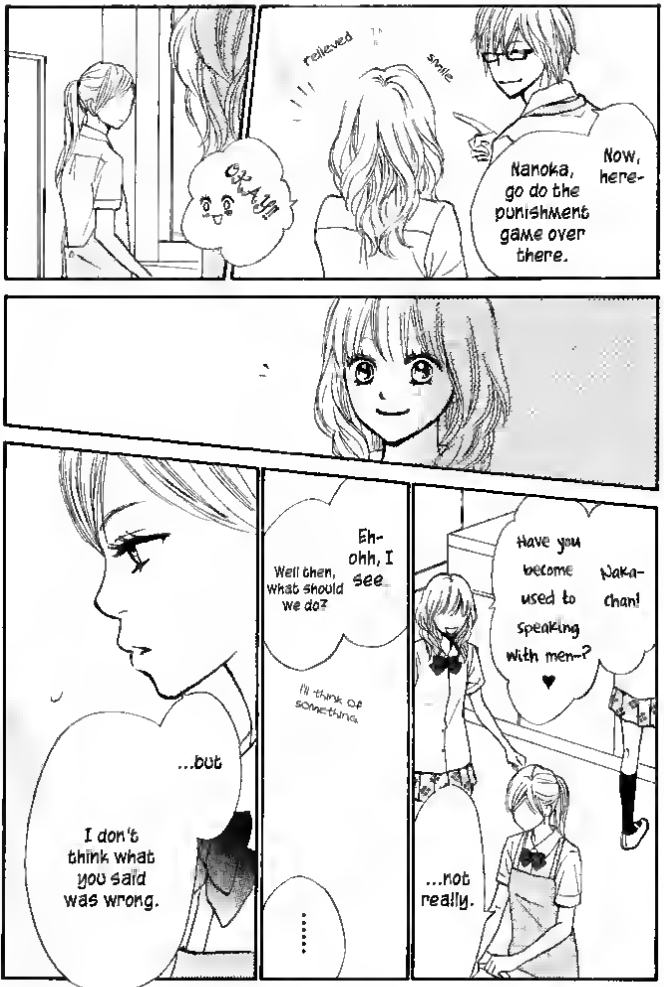


I told you, today, there are a lot of vegetables to be pre-cooked, so being late is prohibited.
That's right!! I'm so sorry, Haru
Chekchekke
I was giving some advice to a girl and I lost track of time...
Sorry-
Nanoka, you're late again.



I'm all right, so apologize to everyone else.

Akiko
Punish-ment game, okay?
S-sorry For being late
Do all of the dish washing-thanks
...hm?
is Haru actually angry?



relieved
smile
Now, here-
Nanoka, go do the punishment game over there.
OKAY!!!
Waka-chan! Have you become used to speaking with men--?
...not really.
Eh- ohh, I see
Well then, what should we do?
I'll think of something.
.....
...but
I don't think what you said was wrong.

Because of my misandry, I stereotyped men and had a nasty attitude, even towards people who didn't deserve it.
I realized that it's important
to nicely look at their eyes when I greet and talk to them.
So thank you
For the advice.

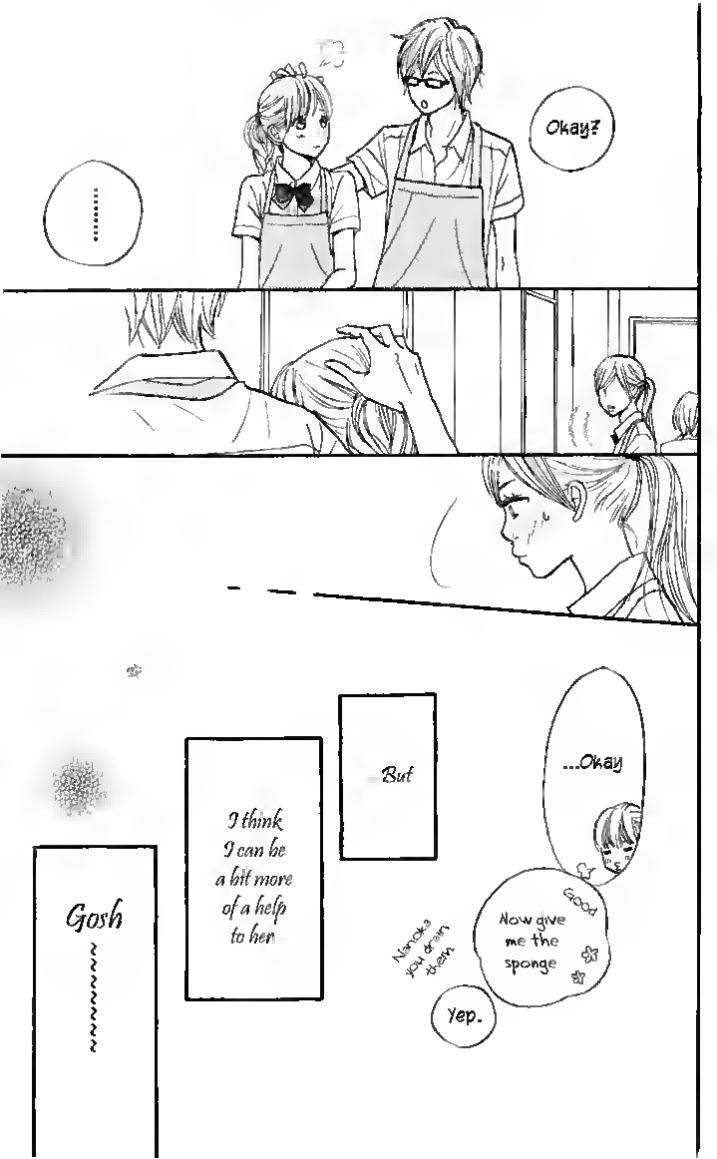
ABSOLUTE MOTIVATION
I'll give it my all!!
...Leave it to me!!
I'll make you overcome your misandry so that you're able to fall in love!!
Eh,
N-no that's impossible ...
It's all right, just leave everything to...
STOP, STOP.

Nanoka, you're overdoing it a bit.
You have to think about the person's pace as well, okay?
...me?
Overdoing?
Sorry, Nanoka was
Na-
Eh?
Why?
It's all going well,
and Naka-chan thanked me.

even the other girls are pleased...
Nanoka,
I'll help you with the dish washing.
While I'm waiting for the oven
...NO THANKS.

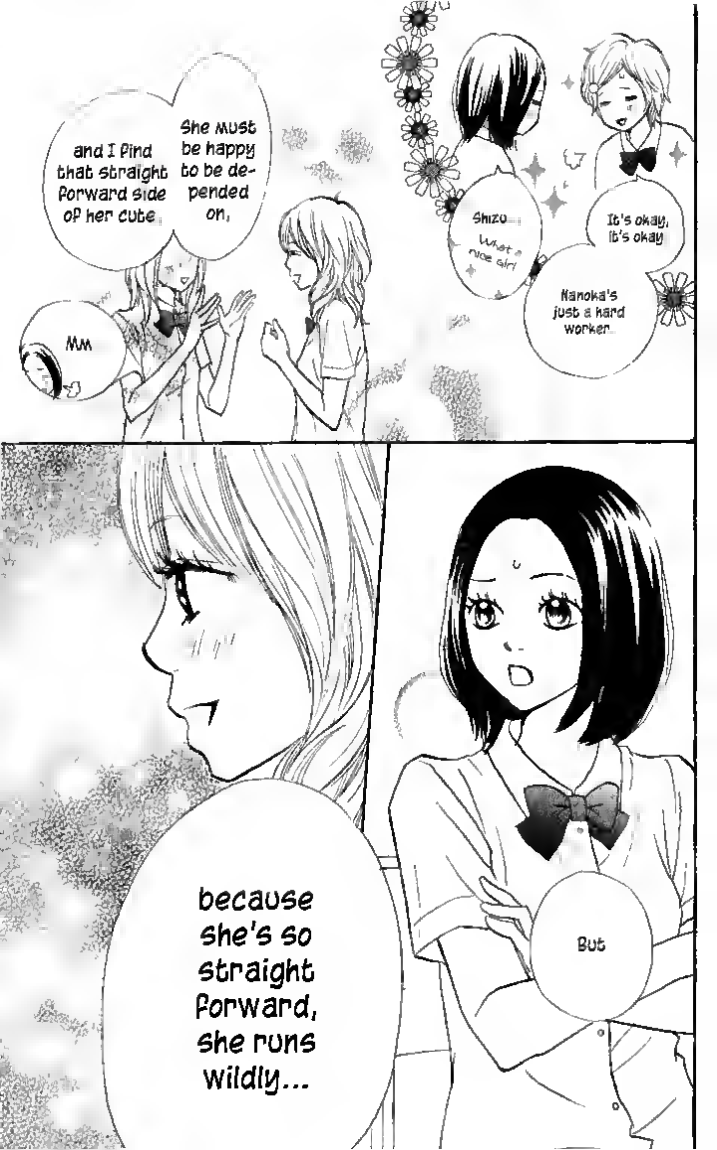
I'm not overdoing it.
Zaa—
Splash
Splash
I'm not angry, but I'm not quite satisfied.
Hm?
Are you angry?
—Ahh.
In the end, it's Naka-chan's own problem.
Naka-chan won't be able to keep up if you try to make her overcome one thing after another with your pace.
but you ended up putting forth more effort than I had expected.
Yes, I did,
about me fixing Naka-chan's misandry.
You even said "I think it's good"

So if you leave it to me-
I know right!?
No.
Nanoka, your advising skills are amazing!
Ahh-- yeah
Naka-chan's able to talk to guys now.
But it's working perfectly.
From here on out, "No more meddling."
Let's just watch over her.



.....
Okay?
Gosh ~~~~~~~
I think I can be a bit more of a help to her
But
...Okay
Good
Now give me the sponge
Yep.
Nanoka's your dream team

Today is Shizu's Matter First!!
Nanoka,
See ♥
Haru doesn't understand.
Sorry
Those girls Shizu!! are in different classes and they still came for me
I'll definitely listen to your story later, so please wait!
.....
Hishizaki-san!!
Can I have you for a moment?
Geez~
I better tell that Nanoka straight to her face later.



Shizu...
What a nice girl
It's okay, it's okay
Nanoka's just a hard worker
She must be happy to be depended on,
and I find that straight forward side of her cute
Mm
But
because she's so straight forward, she runs wildly...

Hopefully, nothing goes wrong...

Happy Birthday
